

**Reception
Spring Term 2019
Curriculum Overview**

Subject	Spring Term	
	Spring 1	Spring 2
RE	<p>Unit D Christmas Children will learn that we celebrate Jesus' birthday. They will learn that Jesus was born in a stable and that the shepherds were his first visitors. They will be able to recall several events from the Christmas story.</p> <p>Unit E Baptism Children will know that Baptism is a special celebration for God's family. They will also be able to take part in a role-play of the celebration and identify a few symbols of Baptism. They will know that at a Baptism they are given a Christian name and they are welcomed into God's family. They will know that Jesus' presentation into the temple was a special celebration for him. They will be able to talk about Jesus being the light of the world.</p>	<p>Unit G Lent The children are introduced to some of the Church's customs for the season of Lent. Children will hear about Lent being a special time of prayer and a season when Christians try to follow Christ by what they do. They will also learn about Lent being a time of saying sorry and asking God's forgiveness for things that they have done wrong.</p> <p>Unit H Holy Week Children will learn about the last few days in the life of Jesus. They will be introduced to the story of Palm Sunday, the Last Supper and Good Friday.</p>
	The Gingerbread Man	Farmer Duck
Personal, Social and Emotional Development	<p>The role play area will be decorated to show the home of the characters in the gingerbread man story, children to take turns and play co-operatively. Children will learn about emotions and how the different characters feel. They will think about how the gingerbread man would have felt during the different parts of the story. Children will know right from wrong and think about what the fox should have done and say what they would have done in the fox's situation. Children will work together to build a boat or a bridge for the gingerbread man to cross the river safely.</p>	<p>Role play area will be decorated to show the story of Farmer Duck, children to take turns and play co-operatively. Children will think about right from wrong and how the Farmer should have behaved. They will think about the emotions of the different characters and how they would behave if they were the characters. Children will think about friendship and what makes a good friend. When discussing the story children will take turns in the discussion. Children will work co-operatively to retell the story. Children will think about how important rules are and think about the rules that they should have had on the farm.</p>
Communication and language	<p>Children will listen to the story of the Gingerbread man being read to them and on the computer. They will retell the story using talk for writing actions. Children to retell the story using puppets, story sack and small world. Children will be given instructions to follow to help them find the gingerbread man; they will be able to understand prepositions. Children will enhance their listening skills by playing games such as, "Where's the gingerbread man?" Children will make gingerbread men and discuss their likes and dislikes when they taste them. Children will be expected to answer in sentences at</p>	<p>Children will listen to the story of Farmer Duck being read to them and on the computer. They will retell the story using talk for writing actions. Children to retell the story using puppets, story sack and small world. Children will describe farm animals to each other and they will have to guess which animal they are describing. Children will play farm animal listening games to enhance their listening skills. Children will play attention games, to help with their concentration. They will discuss ways in which they would have helped Farmer Duck if they lived on the farm.</p>

Reception Spring Term 2019 Curriculum Overview

	all times not just one word answers.	Children will be expected to answer in sentences at all times not just one word answers.
