

Reception Home Learning: 13th-17th July

Hello children, welcome to your last week of lessons! I know things have been very strange over the last few months, but I hope you have been making the most of this extra time with your families. As the summer holidays approach, remember to stay safe in the sunshine, help out your parents at home and keep washing your hands! You are all in my thoughts and prayers and we all look forward to seeing you in September – when you will be in Year One! Wow!

With love, Mrs Furlong x

Monday 13th July

English:

<https://classroom.thenational.academy/lessons/to-answer-a-question-with-full-sentences>

Watch the video and follow the instructions. This week you will be learning all about super heroes! For this lesson, you will need: paper, pencil, coloured pencils and your teddy talk partner.

Maths:

<https://classroom.thenational.academy/lessons/addition-and-subtraction-within-20-part-one>

Watch the video and follow the instructions. Today you will be practising some addition and subtraction. For this lesson, you will need: a piece of paper, 20 objects for counting (cubes, dried pasta, counters etc.), 2 cups and 2 dice.

PSED:

<https://classroom.thenational.academy/lessons/changes-the-koala-who-could-by-rachel-bright>

Watch the video and follow the instructions. Today you will be thinking about changes. For this lesson, you will need: paper, paint, glue and a paint brush.

Tuesday 14th July

English:

<https://classroom.thenational.academy/lessons/to-describe-our-favourite-character>

Watch the video and follow the instructions. Today you will be listening to the story of 'Supertato' by Sue Hendra and Paul Linnet. For today's lesson, you will need: a piece of paper, a pencil and your teddy talk partner.

Maths:

<https://classroom.thenational.academy/lessons/depth-of-numbers-within-20-part-one>

Watch the video and follow the instructions. Today you will be focusing on depth of numbers within 20. There are lots of games for you to join in with today, so I hope you enjoy the lesson.

Understanding the World:

<https://classroom.thenational.academy/lessons/seasons>

Today's lesson is all about seasons. Remember you can pause and go back at any point!

Please see separate document.

Wednesday 15th July

English:

<https://classroom.thenational.academy/lessons/to-commit-a-story-to-memory-using-a-map-d36fd6>

Watch the video and follow the instructions. Today you will be thinking about yesterday's story and creating a story map to help you to remember it. For today's lesson, you will need: paper, pencil, coloured pencils and your teddy talk partner.

Maths:

<https://classroom.thenational.academy/lessons/addition-and-subtraction-within-20-part-two>

Watch the video and follow the instructions. Today you will be doing some more addition and subtraction. After the lesson, have a go at playing a game like this yourself – if you haven't got one at home, see if your parents or older siblings can help you to make one. If you have no one to play your game with, you could play it with your teddy.

Understanding the World:

<https://classroom.thenational.academy/lessons/seasons-collage>

Today you will be continuing learning about the seasons. For today's lesson, you will need: some white paper, some coloured paper, coloured pencils and your teddy talk partner.

Thursday 16th July

English:

<https://classroom.thenational.academy/lessons/to-write-sentences-from-the-story-part-1>

Watch the video and follow the instructions. Today, you will be acting out the story of 'Supertato' and writing some sentences from the story. For this lesson, you will need: paper, pencil and your teddy talk partner.

Maths:

<https://classroom.thenational.academy/lessons/depth-of-numbers-within-20-part-two>

Watch the video and listen to the instructions. In today's lesson, you will be studying the depth of number, with the help of 'The Very Hungry Caterpillar' by Eric Carle. Perhaps after this lesson, you could choose a story from home and do some counting on your own.

The World and Expressive Art and Design:

<https://classroom.thenational.academy/lessons/build-a-flower>

In this lesson, you will be building a flower! For this lesson, you will need: construction materials (e.g. duplo, wooden blocks, lego).

Friday 17th July

English:

<https://classroom.thenational.academy/lessons/to-write-sentences-from-the-story-part-2>

Watch the video and follow the instructions. Today you will be making a 'Wanted' poster and writing more sentences from the story. For this lesson, you will need: paper, pencil, your writing from yesterday's lesson and your teddy talk partner.

Maths:

<https://classroom.thenational.academy/lessons/addition-and-subtraction-within-20-part-three>

Watch the video and follow the instructions. Today you will be playing some more number games. At the end of the lesson, see if you can play some similar games with your family.

Expressive Art and Design:

<https://classroom.thenational.academy/lessons/summer-crown>

Watch the video and follow the instructions. Today you will be making a summer crown. For this lesson, you will need: flower petals, leaves, paper and glue or tape.
